Films: The other night NBC had a one-half hour interview of Jim Garrison, District Attorney in New Orleans and his charges of conspiracy in the assassination of President Kennedy. Mr. Helms asked that we obtain a copy of this film for Agency showing. On 18 July at 10 p.m. on CBS there was a showing of a film, "How Israel Won the War" with a narration by Mike Wallace and S. L. A. Marshall. I thought this was an excellent film and I have asked Jake Goodwin to obtain a copy so that we can exhibit this to Agency employees.
